CLEANING EQUIPMENT

Trusted Equipment Solutions

a Bud Group Company

Tennant is a world-leading manufacturer of indoor and outdoor environmental cleaning solutions. Tennant's industrial and commercial sweepers, scrubbers, detergents, carpet cleaning equipment, vacuums, floor machines, burnishers and more deliver award-winning environmental cleaning solutions.

Elgin sweepers have been cleaning roadways since 1914. For over 90 years Elgin products have delivered superior performance. Today, Elgin sweepers are used around the world and backed by the industry's most respected dealers, who provide quality sales, service, warranty and parts support.

Ghibli is one of the leading manufacturers of wet and dry industrial vacuum cleaners and scrubbers for over 50 years.

Smart cleaning starts with Kaivac. As an industry leader in smart cleaning technology, Kaivac offers a variety of ground breaking solutions to suit any surface or budget.

Maer High Pressure Cleaning Company is an Italian manufacturer of professional high pressure cleaners and have been providing quality products to the cleaning industry for the past 30 years.

Italian based, Macro clean sweepers are the most advanced performing mechanical-suction sweepers on the market today thanks to years of continuous development.

Delfin intends maintaining a constant lead in terms of expertise in manufacturing industrial vacuum cleaners and suction units, developing a range of products suitable for solving material cleaning and recycling problems in all areas of use, with targeted and personalised proposals able to cater for individual customer requirements.

Highpoint Vacuums design and manufacture powerful vacuum trucks right here in South Africa.
